NOTES

KEY DEFINITIONS AND TERMS

- Accrued Dividends: When the company declares the dividends of shares, this part will calculate the dividends to be paid to the user, and the dividends paid to the user during form checking period will be included into cash.
- Accrued Interest: Interest is charged monthly, so this section will be the total interest incurred by the user in the statement period, rather than the portion of the interest charged. Additional detail provided in the important information section below.
- Trades (Sold): Cash from selling securities.
- Trades (Bought): Cash spent on buying securities.
- Multiplier (Multi): In an individual stock option, the value of the contract is expressed as the product of a certain monetary amount and the underlying index. The certain monetary amount is fixed by the contract, which is referred to as the contract multiplier. At present, the stock is 1 by default and the individual stock option is 100.
- Closing Price: Last traded price on the last trading date of the month. Note, closing prices are indicative and may be from third-party sources. Webull does not warrant the accuracy of the prices provided by third-party sources.
- Fee/Tax: Exchange-related Fees / Transaction-related Fees / Stamp Duty / Settlement Fees / Withholding Tax.
- Webull does not charge any fees for currency exchanges. Exchange rate is prone to be impacted by the market exchange rates. Please take exchange rates on market as reference.
- All transactions are based on a First-in, First-out ("FIFO") method.
- Trade Records: Displays all GTC (Good-Till-Cancelled) orders in your account. Also included in the section are GTG orders (GTC orders eligible for extended trading hours).

KEY DEFINITIONS AND TERMS

1. Pending Dividends: The pending dividend section includes unpaid cash dividends that the shareholder is entitled to receive but have not been distributed in the statement period. Most often due to the declared payment date being in the future outside of the statement period.
2. Accrued Interest: Interest is charged monthly, so this section will be the total interest incurred by the user in the statement period, rather than the portion of the interest charged. Additional detail provided in the important information section below.
3. Trades (Sold): Cash from selling securities.
4. Trades (Bought): Cash spent on buying securities.
5. Multiplier(Mult): In an individual stock option, the value of the contract is expressed as the product of a certain monetary amount and the underlying index. The certain monetary amount is fixed by the contract, which is referred to as the contract multiplier. At present, the stock is 1 by default, and the individual stock option is 100.
6. Closing Price: Last traded price on the last trading date of the month. Note, closing prices are indicative and may be from third-party sources. Webull does not warrant the accuracy of the prices provided by third-party sources.
7. The sum of Exchange-related fees, transaction-related fees, stamp duty, withholding tax, contract fees, commissions, or other fees or taxes.
8. Webull does not charge any fees for currency exchanges. Exchange rate is prone to be impacted by the market exchange rates. Please take exchange rates on market as reference.
9. All transactions are based on a First-in, First-out ("FIFO") method.
10. Trade Records: Displays all GTC (Good-Till-Cancelled) orders in your account. Also included in the section are GTO orders (GTC orders eligible for extended trading hours).
11. Account Types: C = Cash, M = Margin, S = Short, X = RV/PDV, and O = Other
12. FPSL: The Apex Clearing Corporation Fully-Paid Securities Lending Program.

- Market Value of Securities Held Long includes the market value of securities held in non-short account types (i.e. Cash account, Margin account).
- Market Value of Securities Held Short includes the market value of securities held in the short account type. Bona fide short positions will mark-to-market on a daily basis between the margin and short account types based on prevailing closing prices of the security which was shorted.
- Market Value of Fully-Paid Securities Lent. The market value of the fully-paid securities you have loaned through participating in the Apex Clearing Corporation Fully-Paid Securities Lending Program.
- Collateral Value and Loan Value. Collateral Value and Loan Value are related to the fully-paid securities lent by you under the FPSL program. Collateral Value is the amount of collateral (e.g. cash) held on your behalf through the program's Trustee for your benefit at a bank. Loan Value is the market value of the fully-paid securities you have loaned, subject to rounding convention, through participating in the FPSL Program. See the Master Securities Lending Agreement for Apex Clearing Corporation Fully-Paid Securities Lending Program for complete program details.
- Portfolio Market Value: The sum of the cash in your account (i.e. Total Cash Value), the securities in your account (i.e. Market Value of Securities in Your Account), and the market value of the fully-paid securities on loan (i.e. Market Value of Fully-Paid Securities Lent).
- Payment in Lieu: Cash distributions paid on fully-paid securities on loan in the Securities Lending Income Program will be credited to your Webull account in the form of a "cash-in-lieu" payment. Receipt of cash-in-lieu payments may have different taxable consequences than receipt of the actual dividends from the issuer.
